## "HELLS BELLS"

Bell rings.

Students hustle and bustle to get to class.

Tardy bell rings.

Teacher takes roll.

Class begins.

Students are bored. Chit-chat begins.

Teacher yells.

Bell rings.

Bell rings.

Lunch time!

Brown baggers and machine buyers are all around.

Students relax.

The sun shines and sea gulls...well, you know.

Time disappears.

Garbage is deposited in trash cans-hopefully.

Bell rings.

#### By Class Of '78

Bell rings.

Back to class.

Just one more class.

Math is boring.

Love letters and poems are written. Teacher's slightly raised voice wakes you up.

Time to go.

Bell rings.

Bell rings.

Time to leave.

Time for work or homework or play.

Dinner time!

Date time.

Bed time.

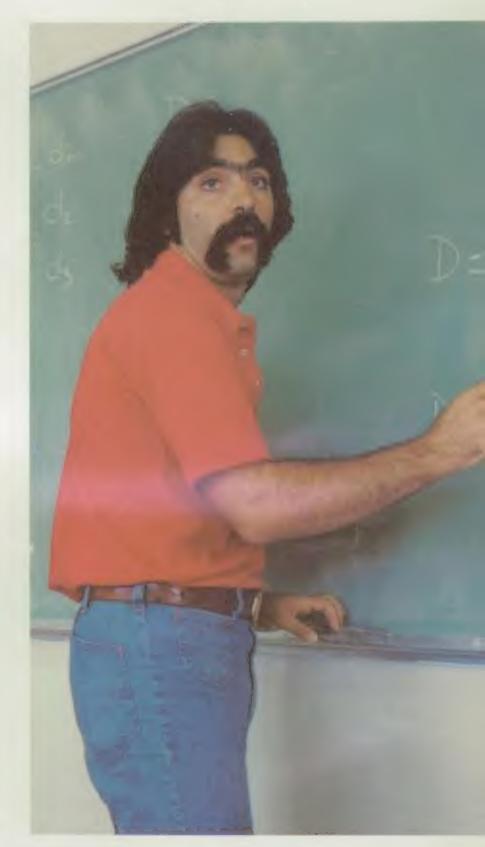

7:00 in the morning. The alarm

Bell Rings.

#### Thus it was

I am being driven forward
Into an unknown land,
The pass grows steeper,
The air colder and sharper.
A wind from my unknown goal
Stirs the strings
Of expectation.

Still the question:
Shall I ever get there?
There where life resounds,
A clear pure note
In the silence.

# PEOPLE & PLACES

## ACTIVITIES

# SEARCHES-A SPIRITUAL AWAKENING.

The basic format for Uni's Search-Retreat program has been changed this year, but people still come home after the experience feeling better about themselves and God A Retreat is filled with laughter, love, smiles, and tears New-found friendships are also a factor of the three days If any two people tried to describe a Retreat minute-byminute there would be two completely different descriptions because everyone has their own interpretation about the three days. It's simply an experience everyone must encounter by themselves for their own personal understanding

# MASSES- A CELEBRATION OF UNITY...

About the several Uni masses.
There's not much to explain
It's similar to going to Church,
But it's simple and it's plain
There is no choir or fancy pews
No women singing soprano
The music's fairly limited
without organ or piano
What is it then, you ask yourself
About our Uni Mass?
It's sharing and togetherness.
A joining of every class

Were you there at that school cailed Uniwhen every single person dressed up like a goonie?

think it was a Tuesday, Yes, October 31 when people wore some crazy costumes. And at lunch, prizes were won

All of Uni High School was covered with these creatures And it wasn't just the students but also Uni's teachers

Everyone had loads of fun, on that day of Halloween when gnouls, fools, geeks, and freaks, everywhere could be seen

## A SOGGY NIGHT FOR VICTORY

Dons Snag Trophy For 4th Consecutive Year.

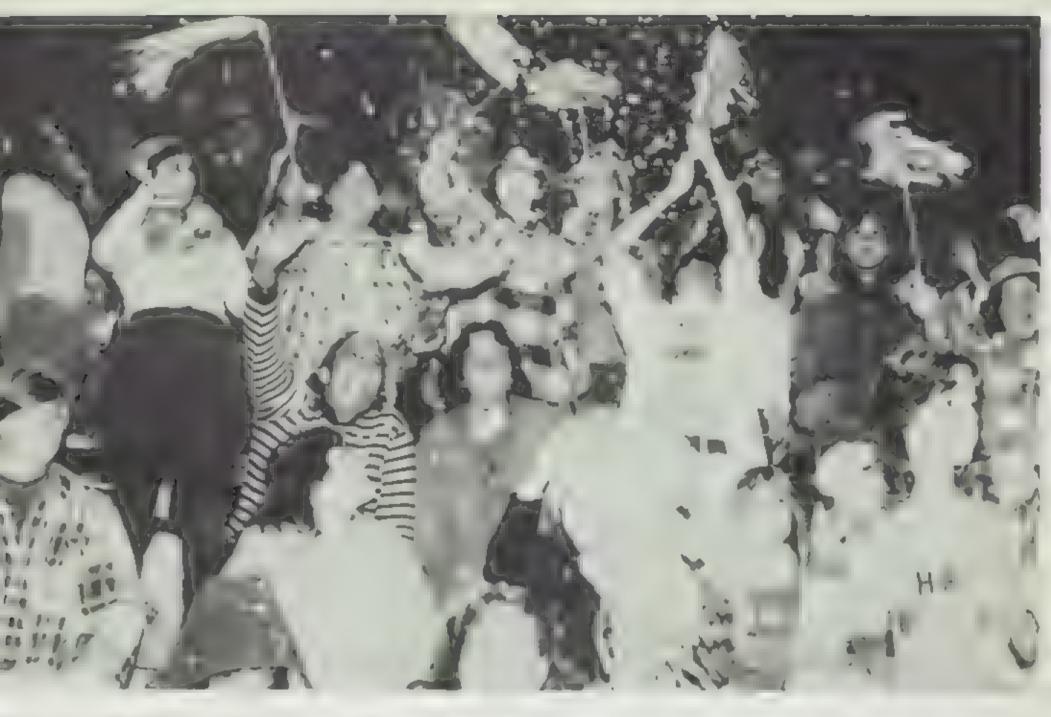

Devoted tootbail tans were in for a pleasant surprise as they braved the stormy weather to support Uni in this 5th annual Charity Bowl against St. Augustine. The time and energy spent on this event really paid off in an exciting game as the Dons breezed past Saints 14-6, climaxing in an unprecedented touchdown by David Martinez which sent the entire Uni side of Balboa Stadium into a wild frenzy. This is the 4th year in a row that Uni has won the Charity Bowl and kept the trophy in it's possession

### ZOOMING ON ICE

is what a couple hundred students from Uni were doing one night up at the Ice Capade Chalet at the Towne Center Of course, there were a few students from other schools that snuck in to enjoy the fun. Those sneaks! They just couldn't resist all the fun that Uni was having up there. You can't blame 'em though. With good music playing, free skates and ice. who could resist? There were all kinds of skaters up there on that beautiful night There were those who just glided on the ice like pros, those who skated on their stomachs and behinds, then those who skated for the sake of skating. But, whatever type of skater they were, it was enjoyable for Uni, and even those sneaks!

#### SLAVE DAY highlight of PRESIDIO WEEK '79

This year marked the beginning of a tradition for PRESIDIO. The purpose of PRESIDIO week was to raise money for the yearbook, and get Uni students involved with the annual. Activities ranged from a bake sale to a successful patron drive, but the highlight was the first annual Slave Day. Junior and Senior guys were auctioned off by our own Mr. Crazy Dave Gorsich. His constant jokes kept the crowd in an uproar. The highest bidder became the proud owner of a slave for a day

## JUNIOR RING CEREMONY

## THE UNITY OF THE CIRCLE

A Special Day for Juniors

Bonded together in growth and love, the Juniors took their first step toward becoming Seniors at this year's Ring Mass. The evening's activities were planned with care, and the Class of '80 was encouraged by onlooking friends and family. ... A class ring is a permanent and lasting reminder of the years spent together in high school. The Ring Mass symbolizes the growth we have experienced, and the closeness, the bond we share between us all The Class of '80 exemplified that closeness during the service.

Good luck in the future!

Remember the time we had hi-jinx one week.
When people gave canned goods and gifts wrapped up neat.
For those who weren't able to afford their whole share.
We were saying in our way to people, "We care!"

Remember the actors who kept their cool
While they performed X-mas plays for the whole school?
And who'll forget when we had to sing songs
How embarrassing it was when we sang the songs wrong!

## "Stepping Out In Style"

3RD ANNUAL FASHION SHOW

This year's Junior Class Fashion Show offered new highlights not seen in previous shows. Held at the Bahia Hotel, the Bay Room was decorated under the direction of Margaret Cahill. The Fashion Show commenced with a one hour, no-host bar, followed by brunch with entertainment by Barbra Gourley, John Herrero, and Sheila Moran. In keeping with the theme, "Stepping Out in Style", 24 Juniors modeled clothes from Fashion Conspiracy and Toni Marten's Formal Attire. A special feature of the show was the disco fashions with a dance routine choreographed by Lorelle Fogel. Fabulous door and raffle prizes, organized by Tani Chartier, were given throughout the show. Thanks to everyone involved, especially Show Chairman, Jennifer Butler, the Fashion Show turned out to be a great success.

## UNI TALENT DISPLAYED

The Student Art Exhibit, co-ordinated by the Art Department and Miss Rosa, displayed the artistic talents of our students. Many mediums were used creatively to express a wide variety of art forms oils, acrylics, water color, pen and ink, and wood. This was the third and best year, drawing a large, enthusiastic crowd, and support from around the school

## GYMNASTICS AND DANCE REVIEW

Below 50's" was the theme of the dance

The 1979 Gymnastics and Dance Review featured something new and exciting BOYS! For the first time Uni had a boy's gymnastics class and they participated in the review with tumbling and antics. The girls were up to their usual high standards with gymnastics and dance routines. The time and effort put into the review really paid off

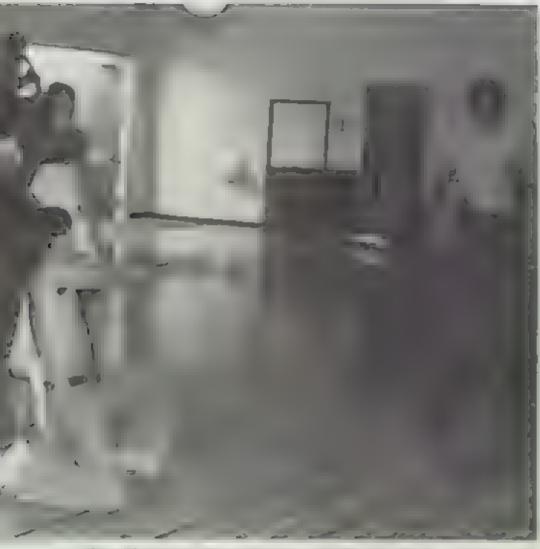

## A TURKEYTROT ..?

Intramurals have always made for a change of pace here at Uni. The Boys and Girls Federation Presidents, Bill Thomas and Theresa Fisher, really did a great job this year in putting on the intramural activities. There were the old favorities like volleyball, ping-pong, and basketball, as well as some new ideas like the paper airplane contest, the turkey trot, and over-the-line. The intramurals provided a relaxing atmosphere for students to show their skill in friendly competition

#### THE SILENT KINGDOM

In a silent kingdom of royalty,
On a common battlefield four kings fight.
And Queens to their Kings sit with loyalty,
While the Jacks bow down low to their plight.
The Aces of four are mightily high,
With bright red hearts and diamonds forever.
And while laughing jokers at their feet lie,
Black spades and clubs play ever so clever.
What silly rules to the games they have raised,
Using numbered knaves to do their small deeds.
And such startegies involved; I'm amazed!
Oh, such is the life and such are their needs.
And sometimes great welath these silly games bring,
But never great wealth to the silent King

AUX BISHOP GILBERT CHAVEZ

"I go to Uni because religion here makes the school different. Religion at Uni is not displayed by many students and faculty going to Mass every day. It is, instead, shown by every student and every faculty member going out of his way to be friendly and helpful to others. The big difference is that Uni is not just a school. It's not even a place but an experience and a feeling that we will remember forever I've had a good time. THANKS UNI!"

The Administration—they have the singular problem of bringing everything at Unitogether. All it takes is a little bit of foresight and planning, concentration, tenacity, diplomacy, efficiency and a lot of patience. This year has been as challenging as any. The most notable problem was the massive changes in the physical grounds. We all came to prefer dry dirt over very wet much and the tranquility of classes without the roar of steel monstors blasting away. Through this and more our administrators maintained. We all thank them for another year of delicate balance.

## IDEAS & CHALLENGES

The religion department does not stop with just taking four years of religion classes. The Search Program and special religious activities throughout the year are all a part of the department. In class, religion has also taken a different approach. The emphasis is on helping students through a free exchange of issues and problems during class. Students are encouraged to have a positive attitude toward religion and to see it as part of everyday life

#### RELIGION DEPARTMENT

" Like my new chalk?"

Mr. Thomson, Math Chairman, is pleased that both teachers and students are working hard in Math. Fine new teachers, plus the great "old" ones tailor to every student's needs. Everything from proficiency math to advanced calculus is available to make the department stronger than last year

Included in the changes planned for this year is an evaluation of the honors program grading system.

#### ENGLISH DEPARTMENT

Through hours of students' and teachers' working together, this year's English Department stressed the basics of writing. This goal was carried out by writing labs and expository writing classes

#### BUSINESS DEPARTMENT

The business education department offers classes in Typing, Consumer Ed., Business Law, and Accounting. These classes have a lot to offer Uni students. The many lessons and skills learned in the classroom can be put to practical use in school, the world of business and life in general.

#### HOME ECONOMICS

Uni's home economics classes provided a warm, personal atmosphere in which students could polish up on their domestic talents. Under the direction of Mrs. Kassebaum students learned sewing and cooking skills along with the responsibilities of child raising

#### ARTS AND CRAFTS DEPARTMENT

To free imaginations, to express emotions, to capture ideas, to discipline techniques—this is creation, and creation is what Uni's Art Department is all about. Graphic design, sketching, and painting introduced basic skills to beginners. Now third year courses allow advanced students to explore further into their favorite fields of expression. Students also have the opportunity to try their hand at a wider variety of mediums. Best of all, the department stressed an atmosphere of casual relaxation, where ideas and true effort are matched

Mr. Ramos took over as this year's new Varsity head coach. He described the season as "disappointing," considering the fact that the Sentinel had predicted they would take the Western League Championship. The team's final standing was a three-way tie for second place with a 4-3 league record ad and a 4-5 overall The squad's MVP was running and defensive back, Gary Ricking. Pat Connors and Rick Balelo won the defensive and offensive awards respectively. With a new experienced coaching staff and many good returning players, look out Western League for next year!

### J.V. FOOTBALL: KICK, PASS, RUN, TOUCHDOWN!

With a strong defensive line, this year's J.V. Football team ended the season with a 4-2-1 record which placed them 3rd in the Western League. Coach Casciato was impressed their skills and feels there will be some strong additions to the Varsity team next year. ### FRESHMEN LEARN FOOTBALL SKILLS

The Freshmen team's 0-6-1 record does not reflect the team's winning spirit. "We went into every game thinking we could win, but football is a game of breaks — we just got bad breaks," explained Mr. Marcus, the team coach. Much was accomplished not in terms of the win/lose column, but in terms in fulfilling the team's goals of instilling discipline, control, and the fundamentals of football in the relatively unexperienced squad. The team's MVP was Anthony McClendon who played many different positions and is, as his coach puts it, "a great athlete."

We'll ..., Uni's J.V. Cheerleaders are nothin' but the best! We're the ones that talk so loud, and wear the small, red vest! We try to look real sexy, we're faithful and we're proud Cause we're rooting for the "Dons", and not some team that's cowed. You'll always see us there at the game shouting cheers our loud, trying to pep up the guys playing, and the ones up in the crowd. Yeah, we're a little rowdy, and some of us are modest; but Uni's J.V. #### VOLLEYBALL QUALIFIES FOR C.I.F.

Third Year In A Row.

Teamwork was an important reason why the volleyball team took second place with a league record of 15-3. With the return of this year's junior players and the recruitment of players from this year's undefeated J.V. team, Uni can promise a very strong Varsity team for next year

#### BADMINTON TEAM SHOWS IMPROVEMENT

Moving in a forward direction, this year's Badminton team was ranked fourth in the Western League. The improvement, says Coach Prather, is due to key players working together. The Most Valuable Player title was shared this year between Valerie Schmidt and Nanette Butler. Lourdes Garay had the Most Improved title. Coach Prather is excited about next year's team because there is the possibility of it being co-ed. She is looking forward to the change

#### LOVES THEIR RACKET

There it goes!

An integral part of any competitive team is learning and having fun. That's just what our girl's tennis team did this year, and though they ended the season with a record of 3-13, all the games were close. Sharing the title of Most Inspirational were Elaine Sebastian and Joan DeRyker. Tammy Redondo received the Most Valuable Player award There were also several other leading players on the team. The top singles players were Tammy Redondo and Kris Struamjford. Karen Stock and Terri Rudolph were the leading doubles

Since the majority of leading players will be graduating this year, next year's team will need determination and lots of work to develop more depth to the team and increase the skill level of their beginning players.

### YOUTHFUL SWIM TEAM PLUNGES INTO SEASON

The Girl's Swim Team had a very successful and fun-filled season with a 7-3 record even though they did not have ideal practice hours: 6 30-8 00 A M. From there, Uniwent to the City Finals where ten wrestlers qualified for C.I.F. Jon Brause and Greg Williams placed first in their weights and advanced to the state tournament in San Jose. Again, Greg placed first in his weight, to become the state champ. Overall, in C.I.F., the team placed sixth. As a finale to a successful season, Wayne Napier was voted Western League Coach of the Year

# J.V. WRESTLING PINS ANOTHER WIN

The J.V. also clinched the Western title for the third consecutive year. Coach Napier, who was voted Coach of the Year, led the team to several tournament victories. Ten wrestlers qualified for the CIF regional tournament. Two of those wrestlers, seniors John Brause and Greg Williams took 1st in their weight classes and advanced to the State Tournament in San Jose. ### SOPHOMORES

Not too big, not too small, Just in between, not special at all. Knowing some things, forgetting others, Getting rides home with mothers and brothers. Being a sophomore is sometimes a bore Things we do, seem as if we've done them before. See the freshmen getting lost, But don't help them whatever the cost! We've all been through the teasing before And really don:'t care for any more New experiences lie not far ahead (Watch that traffic light, it's turning red!) When we can drive it will be great, And for senior year, we can hardly wait! But sophomore year isn't all that bad. Just think of all the fun we've had!

Sophomores what advice do you have for the Freshmen? Get involved in the school and try to get good grades.' Don't sit on the Senior Stairs 'f you know what is good for you'' "Get rid of all your hard classes. Don't act dumb. Stay cool. Say you're a sophomore.' Be yourself. Take it easy, do all your homework, and eat your vegetables."

Dr. Willard Cratchlieu, famed mad scientist, fascinated Uni students when he spoke here on October 31, 1978.

"Here birdie, birdie!"

## SCHOOL FOR A FRESHMAN

The faces are unfamiliar,
The schedule equally baffling
And, though you may survive 'til the end of the day,
You'll seldom end up laughing

The school is a maze of halls and doors And the courses are stiff and hard The juniors and seniors taunt and tease And seldom take your part.

Amid the turmoil, crowd, and noise. Your locker must be opened But once your locker combo's learned The complaints are left unspoken

F block is getting steadily boring.
The teacher drones on and on
You glance at the clock, the final bell rings,
Your day at school is done
